Subject: Don't Miss This Free Customer Service Webinar

They Have 40 Years of Experience

Learn how GIS can enhance customer service when you register for the free ***Leveraging GIS to Improve Mobile Operator Customer Experience and Enhance Operations*** webinar at 8:00 a.m. (PST) on November 12.

Learn how Enghouse Networks helped BASE reduce incidence tickets; improve customer satisfaction; and connect call centers, risk-management departments, and fraud agents during its 4G rollout. Enghouse Networks senior consultant [Sergio Palladini](#) and BASE network tools manager [Alain Bosman](#) will show how GIS sped information access throughout the company during a critical project.
