Connect, Relax, and Talk GIS

If you don't have plans yet for Sunday, July 19, before the Esri User Conference, join like-minded water professionals at our annual get-together. You're invited to our Water Social.

Connect face to face with water professionals who are using GIS to solve real business needs. Plus, get answers from Esri experts. If you have questions, please email Esri water specialist Christa Campbell at CCampbell@esri.com.

Sincerely,

The Esri Water Team
