**Subject:** Reminder: Register for Layers Webinar

## Esri Water Meetup

### Find and Use Stunning Layers

Don't forget to reserve your spot for the complimentary webinar *Soil and Landscape Layers from Esri's Living Atlas*, presented by the Esri water resource experts.

We'll cover finding and using the following with the ArcGIS platform:

- World Harmonized Soil Dataset
- USA National Landcover Dataset
- USA SSURGO dataset variables (e.g., Hydrologic Group Code, Erosion Potential)

Reserve your webinar seat today.
