Subject: Will You Be at WEFTEC?

We're Coming to WEFTEC!

Esri is bringing the best in geospatial solutions to the [Water Environment Federation's Annual Technical Exhibition and Conference](#) (WEFTEC), to be held September 26-30, 2015.

Stop by booth #1857 to ask us about the latest ways to use Esri technology to

- Improve the operation of your utility network.
- Push real-time alerts about main breaks and more to decision makers' phones.
- Do much, much more.

In the meantime, explore [our story map](#) to find the best places for food, fun, and hotels in Chicago.
